Personal Information:

First Name : Samin
Surname : Alavi

Date Of Birth: 1965
Nationality: Iranian
Gender: Female

Email :
saminalavi@hotmail.com

Work Address :
Department of Hematology-Oncology
Disease,
Mofid Children Hospital, Dr.Shariati Ave.
Tel:22227031
Affiliation: Shahid Beheshti medical
University

position: Associated professor

Education:

[Top](#)

- **1996-1999:** Pediatric Hematology & Oncology Subspecialty, Shahid Beheshti medical University, IRAN
- **1991-1994:** Pediatric specialty, Tehran Medical University, IRAN
- **1983-1990:** Medical Doctor (MD), Tehran Medical University, IRAN

Fellowship:

[Top](#)

-

Workshops:

[Top](#)

- **2010:** Participate In Joint Care Workshop, Hematology Research Center, Shiraz Medical University
- **2007:** Participate in research proposals provided electronically, Shahid Beheshti medical University
- **2004:** Participate in Design and Statistical Programs Cross-Sectional Research and Case-Control Workshop, Dental Sciences Research Centre-Shahid Beheshti medical University
- **2004:** Participate in Records Writing Workshop, Shahid Beheshti medical University
- **2004:** Participate in Growth improvement and nutrition of children Workshop, Shahid Beheshti medical University
- **2004:** Participate in Annual internal assessment Workshop, Shahid Beheshti medical University
- **2004:** Participate in Scientific writing Works

- University
- **2004:** Participate in Introduction to Statistical Methods Workshop, Pediatric Infectious Research Center- Shahid Beheshti medical University
 - **2003:** Participate in Performance Evaluation of student Workshop, Shahid Beheshti medical University
 - **2002:** Participate in Evidence Based Medicine Workshop, Shahid Beheshti medical University
 - **2002:** Participate in educational course on clinical management of thalassaemia Workshop, Thalassaemia International Federation of Cooperation association of Cyprus
 - **2001:** Participate in clinical setting workshop, Shahid Beheshti medical University
 - **2001:** Participate in epidemiologic methods in the study of genetic diseases Workshop, Tehran Medical University
 - **2001:** Participate in Writing Medical Articles Workshop, Shahid Beheshti medical University
 - **2001:** Participate in Research Methodology Workshop, Shahid Beheshti medical University
 - **2000:** Participate in Internet and Medline Workshop Workshop, Shahid Beheshti medical University
 - **2000:** Participate in Curriculum Workshop, Shahid Beheshti medical University
 - **2000:** Participate in educational measurement principles in the Design of multiple choice questions in clinical Sciences Workshop, Council on Medical Education Community Ministry of Health
 - ******:** Participate in Academic improvement Evaluation Workshop, Council on Medical Education Community Ministry of Health with collaboration of Isfahan Medical University
 - ******:** Participate in Thalassaemia Compliance Workshop, Iranian Blood Transfusion Organization with TIF
 -

Work Experiences:

[Top](#)

Scientific Position & Teaching:

- **2008-Now:** Associate Professor in pediatric Hematology & Oncology department of Mofid Children Hospital, SBMU, Iran
- **2012-Now:** Responsible for evaluation and residents monthly testing in hematology and oncology field
- **2012:** Research Committee Member of Pediatric Congenital Hematologic Disease Research Center, Mofid Children's Hospital
- **2012:** Board member of the 24th International Congress of Pediatrics, Tehran University of Medical Sciences
- **2012-2011:** Committee member of Residency Admission exams in Pediatrics
- **2009-2011:** Member of organizing OSCE exam and interface With other faculty in Mofid Children's Hospital
- **2009-2011:** Council Member of Clinical Researches Development Center at Mofid Children's Hospital
- **2008-2011:** Board examination member of Pediatrics, Shahid Beheshti Medical University
- **2011:** Member of Board Meeting "blood products a International Congress of Pediatrics

- **2011:** Member of the Scientific Committee of the Sixth Congress of Pediatric Hematology and Oncology
- **2010:** Member of the design committee for 29th promotion test
- **2009-Now:** Referee Articles of Iranian Journal of Blood & cancer
- **2010:** Member of the health committee, infection control and hospital Lonzh
- **2009-Now:** Board Member "Neonatal Health Researches Center," Shahid Beheshti University of Medical Sciences
- **2007-2008:** Preceptor of Mofid Children's Hospital
- **2007-2008:** Committee member of Residency Admission exams in Pediatrics
- **2000-2008:** Committee member of appraisal of pre-internship exam, admission Pediatric Residents and Board exam and pre-board by MOH
- **2007:** Educational Deputy of Hematology-Oncology Department, Mofid Children's Hospital
- **2007:** Pediatric Education Committee member of Shahid Beheshti University of Medical Sciences
- **2007:** Cooperation for Assessment of Articles in Iranian journal of child neurology
- **2006:** Member of Researches Committee of Pediatric Infectious Research Center
- **2005:** Arbitration of Pajoohandeh journal articles
- **2005:** Responsible for OSCE take exams Pediatric Residents
- **2005:** Executive Committee Member of Iranian journal of pediatric hematology oncology
- **2005-Now:** Editorial Board Member of Journal of Blood Transfusion Organization (Blood Journal)
- **2004:** Representative of blood interdisciplinary group of Shahid Beheshti University of Medical Sciences
- **2003:** Responsible for Committee of residency in Mofid Children's Hospital
- **2003:** Pediatric Researches Committee Member in Shahid Beheshti University of Medical Sciences
- **2003:** Pediatrics Curriculum Reform Committee Member of Shahid Beheshti University of Medical Sciences
- **2001-Now:** Committee Member of pediatric Residency exams review in shahid Beheshti University of Medical Sciences
- **1998:** Committee Secretary of residency exams at Mofid Children's Hospital

Researches:

[Top](#)

- **2012:** Randomized controlled clinical trial triple-blind: comparison of iron excreted through urinary of by two drugs deferoxamine and dysfonak in patients with thalassemia major, Clinical Research Development Center, Mofid Children's Hospital, Shahid Beheshti University of Medical Sciences
- **2011:** Relationship between histologic grade of N
some prognostic factors in Mofid Children's Hosp

- Research Center, Shahid Beheshti University of Medical Sciences
- **2011:** Evaluation of Efficacy and safety of Deferasirox in beta-thalassemia patients with transfusional iron overload, Clinical Research Development Center, Mofid Children's Hospital, Shahid Beheshti University of Medical Sciences
 - **2011:** Determination of antibiogram sensitivity in febrile neutropenic patients with malignancies in Mofid Children's Hospital. Pediatric Infectious Research Center, Shahid Beheshti University of Medical Sciences
 - **2010:** The prevalence of TTV virus by PCR in patients with thalassemia major in Mofid children's hospital and comparison with the control group. Pediatric Infectious Research Center, Shahid Beheshti University of Medical Sciences
 - **2009:** assessment results of Cardiac - liver MRI, echocardiography and serum ferritin in accumulation of iron overload in thalassemic patients body at Mofid Children's Hospital during the year 2008. Pediatric Infectious Research Center
 - **2008:** Effect of L-Aspirginase drug on blood lipids level in children with acute lymphoblastic leukemia. Pediatric Infectious Research Center, Shahid Beheshti University of Medical Sciences
 - **2008:** Determination of frequency distribution and hospital registration of pediatric cancer types in Mofid Children's Hospital. Pediatric Infectious Research Center, Shahid Beheshti University of Medical Sciences

Publications:**Books:**

- A group of faculty of pediatrics. Multimedia, learning principles of management of thalassemia. Tehran: MOH, 2011.
- Faculty of Pediatrics Shahid Beheshti University of Medical Sciences .Textbook of Pediatrics (in Persian). Tehran: Shahid Beheshti University publication, 2005. (Section XVIII, Chapter 4: rhabdomyosarcoma)
